

next and final stage will be to alter the Chapel path as it enters from Pemberley Avenue and to landscape the area behind the Chapel. A start has already been made in this area by removing the delapidated privet hedges but if the path is to be realigned this has to be financed. Although the Fund now stands at just over £1700 more money will be necessary, so please, if you have not already done so, send your donations to A. C. Fitt at the School.

The Royal Visit

Her Majesty the Queen, accompanied by His Royal Highness, Prince Philip, visited Bedford on May 11. After visiting John Bunyan School, the Bunyan Centre, the County Hall, and an Old People's Home in Putnoe she came to Bedford Modern School where she unveiled a plaque commemorating her visit and, together with the Duke, toured the new Buildings.

To conclude her visit she drove with the Duke and Sir John Howard, who had earlier presented representative members of staff and pupils from the four Harpur Trust Schools, through the Modern School playing field in an open Land-Rover. Her route was lined by pupils and staff of the other three Harpur Trust Schools and before taking her final leave she was introduced to four senior monitors. The CCF provided a Guard of Honour, the School Band played the National Anthem.

School Officials May 1976
